Fashion forward

Just in time for the holidays, Spanish fashion chain **Mango** has arrived in New York with an 8,000-square-foot space full of girly frocks and accessories that are affordable and playful. We especially love Penelope and Monica Cruz's inspired line of sexy separates. Leopard coats, bell-bottom jeans and contour-defining dresses rank high among our favorite things. (Citrine

necklace, see number 21.)
Mango, 561 Broadway, between Prince and Spring streets. (866) 666-4664. \$9 and up.

Feeling Frida 14

Frida Kahlo was a big aromatherapy buff, mixing her own potions when she wasn't working on her self-portraits. At least that's what the makers of the **Frida Kahlo Naturals Skin Care Line** learned after reading the artist's letters. Inspired by this revelation, they concocted luscious creams, soaps, oils, candles, mineral makeup and other natural products that any artsy girl will cherish. *Frida Store*, 95

E. Page Ave., between Richmond Valley Road and Boscombe Avenue, Staten Island. (718) 608-9880 or fridakahloskincare.com. From \$6.75.
